It is also the first large-scale cut-stone structure in the world.

The Ancient City of Memphis

Memphis, founded around 3,100 BC, is the legendary city of Menes, the King who united Upper and Lower Egypt. Early on, Memphis was more likely a fortress from which Menes controlled the land and water routes between Upper Egypt and the Delta. Having probably originated in Upper Egypt, from Memphis he could control the conquered people of Lower Egypt. However, by the Third Dynasty, the building at Saqqara suggests that Memphis had become a sizable city.
