Discover the oasis of Siwa Sidi Abou Soliman mosque, visits of the Agoumi, Oracle temple,

The Oracle temple,

It is a spectacular temple, The temple of Amun, built during the twenty-sixth Dynasty, the temple and its oracle flourished into Greek and Roman times

The temple was built on the top of mountains, The ruins of the temple can be reached by climbing a well-marked path up the side of the rock.

According to a legend, the temple was built in honor of ham, the son of Noah, by Danaus Egyptian, another legend relates the foundation of the temple to the Greek god Dionysus. While lost in the western desert. Dionysus was perishing of thirst, when A ram appeared and guided him to the spring of Agroumi, In Gratitude Dionysus erected this temple.

Oracle, Manifestations of God, were highly revered in the ancient world, Able to see into the future they were consulted regularly

before important decisions were made

It is believed that Alexander the Great wished to consult the Siwan oracle to seek confirmation that he was the son of Zeus. The Greek god of gods, when he and his entourage arrived, A manifestation of the oracle was paraded through the city accompanied by eighty priests, After his visit to the oracle, whenever his image appeared on the coin, Alexander was shown with horns of the ram, the symbol of Amun, the god of gods in Egypt

Cleopatra's Spring

The springs of Siwa are famous throughout the western desert, The spring of the sun Or Cleopatra's bath, has been mentioned by travelers to Siwa since the days of Herodotus, legend maintains

, So, It must be assumed, did Alexander the great [oasis](#)

The Fortress at Shali

Built on a hill inside a Protective wall originally breached by a single gate, the maze of mud-brick buildings that Comprises the Fortress served the people of the oasis for nearly 8 centuries. The inhabitants had to live in the narrow quarters, sharing their animals, which were herded into the fortress each evening.

were used in the constructions of the fortress, as they [oasis](#) helped to strengthen the wall, Rain has unfortunately proved to be more destructive to the fortress than any human invaders

Lunch in Abdo Restaurant

When it comes to food, Abdu's Restaurant is recommended not only for its dining menu but for its breakfast menu as well. Located at Siwa Market Square, the restaurant is easy to find. Besides its highly praised food, friendly service, and cozy atmosphere, Abdu's is also a place to catch an interesting conversation with some of the locals.

Breakfast-Lunch-Dinner

4Th Day :Day 4-Siwa

After Breakfast drive to the salty lake. The salty water takes you above the water and makes you float., You don't need to be a good swimmer. Take care when you go swimming and don't let the water reach your eyes. as it is really painful. Choose the crystal lake and they are many of them. But keep looking for the purest one, when you see the bottom. Take a bottle of Mineral water to shower with after swimming in the lake, The salt lakes have similar hyper-salinity properties to those of Jordan's Dead Sea. This also means that the lakes hold great healing properties, much stronger than regular seawater. In all cases, You will make for a wonderful swim!

at 11:00 Then proceed to (Abu Shrouf sweet water Spring)This is highly recommended after swimming in the salty lake

Then Proceed to Gebel Al Dakrur

Gebel Al Dakrur, Just a few miles south of Shali, is visible from all points in the oasis and its triple peaks serve as a good landmark when traveling East or west. The view from the summit of this mountain is outstanding

[oasis](#)

There are three doctors at Dakrur famous for their sand cures treatment of rheumatism and arthritis.

A sand bath is taken during the hottest month of the year(July through September)Patients from as far away as Sweden and

for the cures[oasis](#)

They stay at one of the Clinics at the base of the mountain, Early each morning workers dig shallow graves in the sand along the slopes to allow the sun to heat the area. At midday when the sun is the most intense, the patient lies in the hollow and covered with additional hot sand, less sand is piled in the area around the heart, here the patient is removed to a nearby tent, wrapped in hot

blankets, and asked to drink herbal teas and chicken soup, the treatment continues for five to seven days during which time the patient is forbidden to bathe or drink any cold

Then Visit Gebel Al Mawata

Gebel Al Mawta,

Mountain of the Dead is a conical mountain a little over a kilometer to the north of Shali. Tombs from the twenty-sixth Dynasty, Ptolemaic, and the Roman periods are cut into the side of the mountain, There are four tombs worth seeing at Gebel Al – Mawta.

Tomb of Niperpathot

The tomb of Niperpathot is a large tomb and one of the oldest tombs in the oasis, Almost certainly from the Twenty-sixth Dynasty. It has a court with 3 tombs on the Mountain. Niperpathot was the Prophet of Osiris and scribe of the dive documents.

The Tomb of the Crocodile:

Excavated in 1941 and consists of three rooms and decorations of Osiris, Hathor, and Crocodile Sobek
