Days Table

First Day : Mahmya Island Snorkeling In Hurghada

Mahmya Island Day Trip

A Marsaalamtours representative will pick you up from your resort in Hurghada to take you on an amazing day trip to Mahmya Island aboard one of two Mahmya boats.

Discover the unique Mahmya Island in the Red Sea, part of the protected Giftun Island National Park just off the coast of Hurghada. The full-day tour includes round-trip transfers by air-conditioned vehicle directly from your hotel and a 1-hour sailing tour.

After your transfer, begin your journey by sailing the turquoise waters on a comfortable boat. Marvel at views of the white sand beaches and palm-thatched beach huts. Soak up the Red Sea sun while watching for playful dolphins. Upon arrival at Mahmya, you are free to snorkel the impressive coral heads of the clear lagoon. Relax on the beach and swim in the crystal-clear waters.

Mahmya Beach is located on the southern shores of Giftun Island National Park, just off the coast of Hurghada. "Mahmya" means "Protected Area" in Arabic. To protect the coral reefs and marine life, boats moor at buoys off the pristine bay, and you will be taken to the shore by smaller boats.

Enjoy lunch at the restaurant, where seafood and Italian specialties are served, and drinks are available from the bar throughout the day.

Maintained under strict conservation guidelines, Mahmya is the perfect getaway from the urban sprawl of Hurghada, offering peace and privacy for all ages. Glass-bottom boats are available for rent, allowing you to view the underwater world without getting (too) wet!

At the end of the day, sail back to the marina for your transfer to the hotel.
