Days Table

First Day : Utopia island Snorkeling Tour

Experience a fascinating snorkelling adventure in the Red Sea. After the pick-up at your hotel, you will head to the beautiful peninsula of Soma Bay, which will be your first snorkelling stop. Here there is also a pier, from which you will start the boat tour. Around Utopia Island are several natural reefs where you can enjoy snorkelling. Explore the unique underwater world and admire the countless colourful fish and beautiful corals.

After a few snorkelling stops you can relax with a delicious lunch onboard the boat and recharge your batteries. Afterwards, you will transfer to a glass-bottomed boat and spend a memorable few hours admiring the underwater world of the Red Sea below your feet. For two hours you will have a direct view of the crystal-clear waters surrounding Utopia Island.
