Board your boat to start your exciting trip to the Dolphin House, which is known also as ‘’Sha’ab Samadai’’. An amazing place for all snorkeling lovers, simply to have a view of the dolphins near the reefs. You will have a short briefing about the snorkeling site, Samadai (dolphin house) from the snorkeling guide before reaching the site, then you will enjoy snorkeling with dolphins on the beautiful Red Sea.
You will get two snorkeling stops around the reefs where dolphins live, each stopping for about 45 minutes with a time for rest in-between to get drinks and snacks on board the boat. If you have always dreamt of swimming with dolphins in their natural habitat, this unforgettable trip to the Dolphin House “Samadai Reef” will give you the chance to do so.

The name ‘dolphin house’ has been given, as the reef itself is shaped like a horseshoe, giving protection from the wind and sea and a perfect place for the spinner dolphins to rest and play. A unique chance to discover these beautiful resident marine mammals happy to swim and play with visiting snorkelers and scuba divers for hours at a time, You may even get the chance to come face to face with the dolphins as they roam wild and free here, If you are patient and fortunate enough to get the chance to swim with these fascinating creatures, you will be rewarded with a magical experience that will be well worth the wait.
You may then snorkel again in an area called Shaab Marsa Alam for a while before we go back to Marsa Alam port for your transfer back to your hotel in Marsa Alam. Buffet-style lunch and drinks will be served onboard the boat to make this a special day out to the
